What is SIGGS?

SIGGS stands for “Support the Implementation of Good Governance in Sport”. It is a project that is managed by the EOC EU Office, together with 11 partner organisations. The project runs from January 2015 until December 2016. The SIGGS is co-funded by the Erasmus+ Programme of the European Union and officially supported by the International Olympic Committee (IOC).

What is the objective of SIGGS?

To provide practical guidance to National Olympic Committees (NOCs) and national sport federations on how to implement principles of good governance in sport.

SIGGS IN 4 KEY WORDS

SUPPORT: to provide practical and customised guidance
IMPLEMENTATION: how to implement good governance principles in practice
GOOD GOVERNANCE: based on the IOC and EU Principles of good governance in sport
SPORT: for NOCs and national federations

How does SIGGS intend to do this?

The SIGGS Project focuses on 4 main Principles:

1) Integrity
2) Autonomy and Accountability
3) Transparency
4) Democracy, inclusivity and participation

By completing an online self-assessment, sport organisations will get an overview of their strengths and weaknesses.

For these weaknesses, customised Action Plans will be generated, providing examples and concrete proposals for action tailored to the needs of the organisation.
