

SURVEY ON **STAFF RECRUITMENT / RETENTION AND NEW SOLUTIONS** IN SPORT AND PHYSICAL ACTIVITY EMPLOYMENT

ARE YOU A SPORT EMPLOYER?

Do you struggle to recruit the staff you need?

Is it difficult to keep staff with the right skills and attitudes?

These are real problems for many organisations in sport and physical activity. We need to find solutions. This is the goal of the **IN-FORMS** project.

You are invited to take part in the survey that is a unique attempt to reach out to the broadest range of sport and physical activity organisations of all kinds (clubs, gyms, federations, outdoor activity centres etc.) across Europe to find out more about sport employment and the challenges organisations face so that we can find better solutions.

The survey will take you 10-20 minutes to complete.

Organisations from countries inside and outside the EU are strongly encouraged to take part.

WE NEED TO KNOW

This survey is a key part of our background research. By taking part, you can tell us:

- ⇒ Your opinions about employment in sport and physical activity
- ⇒ The challenges you face in recruiting and retaining the right staff
- ⇒ Your opinions and experiences about new and more creative ways of employing staff
